**Another delightful Concert:** The Pasú Quintet delighted the audience at the [Casa da Cultura Islâmica e Mediterrânica in Silves](#) with their exciting and varied performance. The evening started with drinks and canapés in the Moorish gardens before guests were treated to a programme which included Mozart's Fantasia, Mendelssohn's Quintette and György Ligeti's Six Bagatelles. [A more detailed Programme](#) can be found on the website. € 1192 was raised from the evening and all profits will go to support Silves Rotary Club's Education Programmes. Thanks must go to the [Câmara Municipal de Silves](#) for the loan of such a lovely venue and to Silves Sul Students for their efficient and friendly service.

**Our first golf day:** The golf day at the fabulous Amendoeira Golf Resort took place on the hottest day of the year so far, however, that did not prevent golfers of all abilities turning in some very good scores on the difficult Faldo course. Comments from golfers included "a great day for a good cause" as they tucked into a very nice lunch in the clubhouse after the game. Although with fewer numbers than expected a very respectable €1800 was raised to be used to help the Oncology Association of the Algarve with their cancer prevention programme. Grateful thanks to all who helped organise the event and those too, who took part.
