## A Musical Delight

Rotarians and friends gathered on the 18 September to enjoy an evening of beautiful music in lovely Teatro Mascarenhas Gregório, in Silves. The young Eigelstein Brass quintet delighted the audience with both traditional and modern pieces from Bach to Brubeck and joined concert goers for at chat and drinks during the interval. The event raised 2100€ and the money raised goes to RC Silves Step Up Fund and other charities supported by RC Silves which benefit the communities of Silves. We think this was the best concert yet and look forward to arranging the next one. Our thanks go to Blevins-Franks International Tax and Wealth Management, Silves Câmara and the Goethe Institute who sponsored the event. [More Pictures..](#)

## Treasure Hunters Return

Members and friends had fun in the sun following clues and visiting five sites along the coast from Armação de Pêra. Doug McLachan a friend of RC Silves arranged our treasure hunt and all those who took part would like to thank him for providing such an interesting and enjoyable activity. Some members who have lived in the Algarve even found new places to return to for a longer visit. The money raised will be donated to End Polio Now. Thanks again Doug.

## Events

### Coffee Morning 9 October 10.30

David, Penny Trubshaw and Jackie Thornton are inviting Rotarians, neighbours and friends to join them at home in Senhora do Verde, near Alcalar for a Coffee Morning in aid of the Bombeiros who so gallantly fought the flames around Monchique. [More Details](#)

### Afternoon Tea in the Country

16 October, 16:00

Silves Rotary Club invites you to a traditional Afternoon Tea in aid of our Education Fund. Why not take an afternoon drive to the country and finish with afternoon tea in the garden of Alan and Pam Winn with views over Rocha de Pena National Park. [More Details](#)

## Fellowship, Fundraising and Fun

### Green Thoughts

RC Silves Global Warming Project, we offer a few tips to help you combat global warming.

Try to use cosmetics, scrubs, toothpaste and beauty products that do not contain microbeads because of the marine pollution they are causing. If you're unsure, check the label and avoid products containing polyethylene (PE), polypropylene (PP), polyethylene terephthalate (PET), polymethyl methacrylate (PMMA), polytetrafluoroethylene (PTFE) and nylon.
